Proud Success at Top Universities

“You made a good choice coming to CIC. This is one of University of Waterloo’s largest sources of students anywhere in the world, not largest sources of international students, the largest sources of students.”

Andrea Jardin
Associate Registrar
Admissions
University of Waterloo

“ In 2009 an additional partnership was formed to **guarantee admission to all Columbia students** who meet McMaster’s admission requirements. As a result, every year McMaster accepts many Columbia graduates into challenging programs to help achieve their education and career goals.”

Melissa Pool
University Registrar
McMaster University

“ For the University of Toronto, CIC is our largest feeder school in the entire world, period. Not one of them, it is the largest school, domestic or international. So, CIC has a huge impact on our university and we’re very proud of that. We’ve been associated with CIC for many years. **We found the graduates to be excellent.** ”
