What Sets **CIC** Apart in **University** **Application** Support?

Personalized University Preparation

Dedicated counsellors at University Placement Office provide 1:1 guidance for students, from assisting with program choices, admission requirements and completing university applications

Exceptional Academic Support

Our top-notch teachers and exceptional resources provide the strongest teaching and learning support, helping students achieve their very best — with daily after-school tutoring, subject-specific assistance, and consistent progress monitoring.

Extensive Extracurricular and Leadership Programs

Through clubs, volunteering, and leadership roles, students build strong scholarship resumes — all strategically supported by our Total Care team, who help track, document, and present their achievements effectively.

It's not just a number but a result of every CIC Total Care team member behind our students.
