What sets CIC's university application support apart?

- **Individualized University Preparation**

With personalized one-on-one support, our University Placement Office counsellors help students make informed decisions about their future, providing expert guidance on program selection, admission requirements, and university applications.

- **Comprehensive Academic Support**

We are committed to helping every student succeed. Through expert instruction, exceptional resources, daily after-school tutoring, personalized subject support, and regular progress monitoring, students are empowered to excel academically and confidently pursue their goals.

- **Enriching Extracurricular Experiences**

By participating in clubs, volunteering, and leadership roles, students develop strong scholarship profiles. Our Total Care team provides ongoing support to track, document, and showcase their achievements effectively.
